## **Gallatin County Real Estate Property Tax Prepayment Program**

\*\*\*All prior year's taxes MUST be current to participate in this program\*\*\*

### **DETAILS OF THE PROGRAM:**

This program will entitle the owner of the parcel(s) listed below, located in Gallatin County, Illinois, to make prepayments toward their next tax bill(s). The submission of this application does not obligate a person to make prepayments. Your prepayments will be based on 80% of the prior year's tax bill(s). Payments must be in the form of cash or check only; No credit card or automatic bank draft payment accepted. A minimum of \$25.00 is required to make a prepayment. Prepayment may be made in person or by mailing to the address listed above. If you are paying multiple parcels, you must indicate how much you want applied to each parcel. You will still receive your annual tax bill(s) in the mail. It will reflect any prepayments that have been made. Once the annual tax bills are sent out, payments will be in two installments. Prepayment will be deducted from the amount of the installment amount due, then the second installment amount that is due. If there is an overpayment, it is your responsibility to request a refund. The prepayment transaction will be cancelled and a returned check fee of \$45.00 will be assessed to all checks returned by the bank for any reason.
